WE PROMOTE THE PEOPLE, PROGRESS & PRIDE OF IOWA

The Iowa Farm Bureau Federation is a grassroots, statewide organization dedicated to helping farm families prosper and improve their quality of life.

More than 153,000 urban and rural families in Iowa are Farm Bureau members, working together to achieve economic growth, educational improvement, and environmental quality in their communities. The organization includes both farming and non-farming members.

As a grassroots organization, we are the only organization in Iowa with a presence in every county. So we have a significant infrastructure in place to reach all Iowans.

We are your neighbors. By supporting and promoting key areas such as family farms, youth, health, renewable energy and more, we are working with you side-by-side to grow Iowa's resources and help ensure a good quality of life for all Iowans.

The Iowa Farm Bureau is proud to support Iowa's progress and our members. And it's this mixture of people, progress and pride that drives the Iowa Farm Bureau in its goal to make our state the best that it can be for all of us.
